

Awards 2020 of the 9th International Conference on Stroke and Cerebrovascular Diseases

Aurel Popa-Wagner

Department of Neurology, University Hospital Essen, Germany, E-mail: aurel.popa-wagner@geriatrics-healthyageing.com

The conference offers emerging scholar awards to outstanding researchers, exceptional graduates or early academicians who have distinctive enthrallment towards the conference themes. The Award strives in providing a strong professional development opportunity for early career academicians-meeting experts in the field, interacting with colleagues from other parts of the world, and creating networks and long-term relations.

CALL FOR NOMINATIONS

Expert Level (Scientific Service Achievement Award)

The award to the experts who have made outstanding contributions to advancing in Neuroscience. It is the most prestigious award of the whole conference and is tagged as a scientific service Achievement award. The eligibility criteria for achieving this award is that one should have a minimum of 20+ years of experience in the relative field in the public or private sector. The receiver of this award should have a dedicated fascination and should take initiative in researching the recent trends and developments towards the related subjects. The deserving candidate can be nominated online.

Professional Level (The Research Contribution Award)

The Award for professional or academic research activity acquired in the Neuroscience research field in the public or private sector for experts having research knowledge at 10+ years in the field of Neuroscience with most relevant accomplishments. Part-time research experience would be counted as pro-rata. It is calculated starting from the date when you obtained the (first) degree entitling you to embark on a doctorate (either in the country in which the degree was obtained or in the country in which the researcher is recruited), even if a doctorate was never started or envisaged. The deserving candidate can be nominated online.

Scholar Level (The Upcoming Researcher Award)

The conference offers Scholar Level Award for the upcoming scientists, researchers and experts having 10+ years of research experience in the field of Neuroscience. Our conference would like to provide the best platform to expand your network by sharing your research knowledge at the stage. The presentation

includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes of panel discussions. The deserving candidate can be nominated online.

Women Scientist (The Women of Science Award)

Our Conference provides a unique platform for women scientists for presenting the latest research projects with an in-depth analysis. We cordially invite women scholars and scientists from Universities/ Industries to who have 10+ years of research experience to join the forum. We are happy to encourage our women scientist's participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. Women scientists can nominate the deserving candidate online.
